Hi Callie-

Just stopped by to talk but missed you. I checked the routing package this morning and I was wrong – this letter did not get routed through TAP. I apologize for that oversight and my mistake in confusing this with another UIC letter Randy helped with last week.

I'll be sure we straighten this out. Let me know if you want to chat today.

Thanks  
Sarah

I know nothing about this letter. Not sure if anyone in tap was asked to look at it.

Not sure if the letter went out yesterday. If so, that's fine, but I have a suggested change for the last paragraph. I'm including Kim and Callie to see if you have concerns with this approach. Please get back to us as soon as possible, we need to get the letter signed today.

thanks
